**Notification**

This is for information of all concerned that the Council has decided to create a GIS-MIS Integrated database of all the institutions under AIISEC to ease the process of decision making in various examination related activities. In this regard, a mobile app (Android based) "AHSEC GIS" is developed to capture the geographical locations (Geo-tagging) as well as some key informations pertaining to the institutions.

Therefore, all the institutions are requested to download and install the mobile app by searching "AHSEC GIS" in the Google Play Store or from the link "<https://play.google.com/store/apps/details?id=tech.sumato.ahsec>" and to submit informations accordingly. Guideline to use the mobile app and submit informations is available at [www.ahsec.assam.gov.in](http://www.ahsec.assam.gov.in). In case of difficulty, institutions may send query at [itahsec@gmail.com](mailto:itahsec@gmail.com).
